1) The Amildar in charge of a Taluk gets his grade pay in Rs 150 - 25/2 - 250 plus a D A of Rs 50/- It would not be certainly much for an Amildar transferred to a city Mlty to get another allce of Rs 30/- for maintaining the Conveyance which is very necessary for the discharge of his duties. Further, from the financial point of view — granting wdpc leave & giving a certificate in regard to the maintenance of a conveyance etc —, it is desirable to have the two allowances duty & Conveyance — quite separate as at present.

In fact there was an attempt to increase it to Rs 40/- by the Mlc but this was vetoed for 17 12 41

2) In view of the above facts it seems neither necessary to consolidate the allowances nor to reduce it to Rs 50/- p m of the Revenue. Hereafter Mlty may continue to draw hitherto the duty allce of Rs 50 plus a Conveyance allce of Rs 30/- p m.

My dear Mr Narayana Rao,

As you know the Revenue Officer, Mr Syed Abdul Gani was transferred as Assistant Commissioner and in accordance with the Government Order directing his relief forthwith he handed over charge and a report in this matter has already been made to the Chief Secretary

Messrs
B K Seshagiri Rao,
S Ramachandra Gupta,
T Siddalingadevaru
H K Shantaveerappa
T H.Ameer,
H C Jambukesvariah
S Gunapaliah

With a view to select a suitable successor the Revenue Commissioner also kindly sent a panel of names (noted in my margin) As the matter was urgent, the paper was circulated amongst the Municipal Councillors suggesting that Mr H C Jambukesvaraiah may be selected, when Mr P Sitaramiah noted as under

"Selection of a gentleman (for R O) out of the panel suggested could be done after knowing

i) the grade and pay of the person

ii) the experience of the person in the Revenue department and the

iii) other qualifications necessary to serve under a Municipal Council

It is not possible to understand these points from the memo and it is therefore necessary that this subject should be discussed at a meeting and decided, after knowing certain important matters which cannot in the nature of things, be put in writing I therefore request that this may shortly be brought up before an urgent special meeting of the Municipal Council at a 'secret session' if necessary

Sd P Sitaramiah'

To consider this question a special general meeting (secret) was called for on the 15th instant at 4 P M and at this meeting Mr. Sitaramiah stated that a Sub Committee had been formed by the Council to re-organize the office and this Sub Committee had in view (this is not one of the terms of reference) the question of separating the post of Octroi Superintendent of the Revenue Office and they may also separate market and miscellaneous revenues from the Revenue Officer and after all these are done it may not be necessary to have an Officer of the status of an Amildar as Revenue Officer and so the discussion on this question may be adjourned to the next meeting when the question regarding the bifurcation of the duties of Octroi Superintendent etc status and pay of Revenue Officer and if he should be one borrowed from the Revenue department etc may be discussed and decided It was pointed out to the Council at this stage that under the existing orders of Government, copies enclosed, and for the reasons stated therein it was very necessary to have an Officer of the status of an Amildar as Revenue Officer and that as it was already November and the collection season had commenced the Office would be considerably handicapped if there was no Revenue Officer and the selection of an Officer had to be postponed pending decision of all these matters It was also pointed out that as a temporary measure the Octroi Superintendent was in additional charge and as the next immediate officer below the Octroi Superintendent was only an Octroi Invoice Inspector on Rs 40 plus 5, the Octroi collections would also suffer if no arrangements were made early and it was therefore necessary that the Council if it desires to reconsider and submit to Government proposals regarding reconsidering the orders already passed by Government that an Officer of the status of an Amildar was necessary,

they might at least select an Officer till the end of next official year which would give sufficient time for the Council to come to a decision and submit the same to Government and obtain orders

Mr Sitaramiah on behalf of his party was absolutely unwilling to consider any such suggestion and inspite of two other councillors again telling that any delay in filling up the post of the Revenue Officer would affect collections and the efficiency of the Office and when it was also pointed out that on all previous occasions Government had definitely stated that an Officer of the status of an Amildar had to be appointed and if this matter was to be reconsidered, it might be sent up in the usual course, but in the meanwhile an Officer may at least be temporarily selected, they stated that the Government Order was not in accordance with the Section 228 and that the existing scale did not provide for the Officer of a status of an Amildar and that it was perfectly within their rights to fix under rule 49(b)(2) the establishment required for the Municipal Office and that therefore the Council will try and dispose off the question at the next sitting only and that in the meanwhile it was not possible to select any Officer out of the panel They also stated that if any one from the panel was selected it might be that as they were acting amildars, they may have earned increments in the meanwhile and the Council would unnecessarily have to pay higher pay Mr Mariappa also stated that they would not like to have a man who would get more than Rs 150/-

I am separately sending for the information of Government a brief report of the discussions and a copy of the Resolution passed

I would like to state in this connection that the

Government has repeatedly observed that the arrear collections should be speeded up This is the time when bills and notices are to be issued This is the time also when the harvest season has commenced and we have to be very watchful about our Octroi and toll collections I have no doubt that both the collections and the efficiency of the office would seriously be impaired if a Revenue Officer is not posted at once The Congress Councillors who are considerably upset on other grounds are not I am afraid prepared to co-operate either with the executive or with Government in this matter In fact some even expressed in the course of the discussion that they would like the Government to interfere with the powers vested in the Municipal Council and appoint their own man so that they may tell the public both in the press and platform how even the little power they have of appointing the Revenue Officer is being taken away by them and the people would know the attitude of Government and the extent of local autonomy conferred etc I do not want to dilate on the discussions they had in this strain

From the nature of the discussions I doubt if the decisions (if any) would be acceptable at all and I am afraid at this rate the matter may drag on for a few months more and as in the meanwhile the work in the office would be considerably handicapred, I would request you to place this aspect before the Government and request that an Officer may be posted temporarily at least pending the decision of the Council in this matter and orders of Government thereon

As already stated I am afraid these Councillors appear to have made up their minds to obstruct ~~to be nasty and obstructive and~~ Getting through the work of the Council

is getting more and more difficult and it is therefore, all the more necessary for me to have a competent Revenue Officer who could also be an efficient Personal Assistant and be of real assistance to me in all matters.

Early orders are solicited.

Yours sincerely,

B. Rajeswara Rao

To

The President,
City Municipal Council,
Mysore

Sir,

With reference to your letter No G T 1063 dated 31st October 1939 rqquesting sanction to the resolution of the Municipal Council to have an experienced Revenue Official of the grade of a Deputy Amildar as Revenue Officer of the City Municipality on his grade pay plus a conveyance allowance of Rs 35/- per mensem for a period of two years in place of the present Revenue Officer, I am directed to state that as the post of the Revenue officer is a responsible one, Government consider that he has to be an officer of status and experience He is an Assistant to the President and it is necessary he should have a rank higher than other officials in the Municipality He is also the Assessment officer in the Municipality and a Deputy Amildar would not be suitable for the Mysore City Municipality as he would not have had sufficient experience

No officer appointed as Deputy Amildar generally continues as such for a period of more than 4 or 6 months and it would be highly inconvenient to have changes in such short periods

I am to add that, since, the revision of assessment on buildings and lands in the City has been taken up recenly and is going on, it is considered desirable to continue the present officer at least for a year more and it would be disadvantageous to post a new man

I have the honour to be,

From

The Secretary to Government of His Highness the Maharaja of Mysore,

To

The President,
City Municipal Council,
Mysore

Sir,

With reference to your letter No G T 600 dated 3rd October 1940, requesting that an experienced official of the City Municipality may be appointed as the Revenue Officer of the Municipality in place of Mr S Abdul Gani, whose term of office as such will expire on 28th November 1940, I am directed to state that the proposal to reduce the pay of the Revenue Officer of the City Municipality and to appoint an official of the Municipality itself to the post, does not commend itself to Government The duties ~~x~~ expected of the Revenue Officer are of a responsible and arduous nature and such a post requires an officer of some status having experience of Executive work In the interests of efficiency, it does not seem to be desirable either to reduce the scale of pay of the post in question or to appoint an official of the Municipality as proposed

In these circumstances, I am to add that the existing arrangement of taking the loan of services of an Amildar for appointment as Revenue Officer may be continued

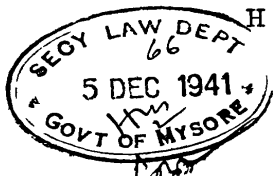
To



H V Narayana Rao, Esq ,B A ,LL B ,
Secretary to Government, Law Department,
BANGALORE CITY

Sir,

I have the honour to forward herewith copy of resolution No 274 (Deferred subject) passed by the Mysore City Municipal Council on Saturday the 29th November 1941 in the matter of the selection of an Amildar in place of Mr Abdul Gani, transferred as Assistant Commissioner

2 In this connection, I wish to state that on receipt of a panel of names from the Revenue Commissioner, the papers were circulated with a note from me stating that either Mr H C Jambukesvariah or Mr Gunapaliah may be selected and preferably the former On this Mr P Sitaramiah, Municipal Councillor wrote as under

"Re Confl memo No 369 dated 5th November 1941

Selection of a gentleman (for R O) out of the panel suggested could be done after knowing

(i) The grade and pay of the person

(ii) The experience of the person in the Revenue Department and the

(iii) Other qualifications necessary to serve under a Municipal Council

It is not possible to understand these points from the memo and it is therefore necessary that this subject should be discussed at a meeting and decided, after knowing certain important matters which cannot in the nature of things, be put in writing

I therefore request that this may kindly be brought up before an urgent Special Meeting of the Municipal Council at a 'Secret session' if necessary

Sd P Sitaramiah,
6-11-1941"

Accordingly this was discussed at a Special General Meeting of the Council (Secret Session) held on the 14th November 1941 at 5 P M and I am enclosing herewith a copy of the proceedings of the meeting

3 When the subject came up again for discussion on Saturday the 29th November 1941, in pursuance of the resolution passed on the 14th November 1941, the Council resolved as under

> "Resolved that the pay of the Revenue Officer should not exceed Rs 150/- and that the Revenue Commissioner be requested to send a panel of 10 names of officers working in the Revenue Department for a selection being made therefrom"

4 In this connection, I may state that both at the Secret Session and at the Ordinary General meeting held on the 14th and 29th November respectively, I pointed out to the Council that in the letters noted in the margin from the Secretary

L 4455 dated, Bangalore, 9th Novr 1939
L 3203/M1 31-40-6 dated, Bangalore, 26th October 1940

to Government, Law Department, Government have repeatedly stated that it was necessary for the reasons stated in the letters that the Officer selected should be of the status of an Amildar I also told them that it is very necessary if the work of the Revenue Section should be satisfactorily done, that a competent and experienced man of the Revenue Department at least of the rank and status of an Amildar should be appointed

5 The Council did not agree to this In the Resolution of the Council that the Revenue Commissioner may be requested to send a panel of ten names of the Revenue Department, they also state that the maximum pay should not exceed Rs 150/- This means that the Officer selected would be either a Deputy Amildar or an official who is in the amildari list who may get his chance for amildari at any time It would also mean that the officer selected could not have much experience of

M E M O

In continuation of the circular memo No G T 909 of the 28th October 1941 regarding the promotion of Mr Syed Abdul Gani as Assistant Commissioner and the arrangements for his relief the Revenue Commissioner has suggested the names of the following for the Revenue Officer's post

1 Mr B K Seshagiri Rao, acting Asstt Commr on leave
2 Mr S Ramachandra Gupta, ---do---
3 Mr T Siddalingadevaru, s p t Amildar, Sagar,
4 Mr H K Shantaveerappa, s p t Amildar, Tarikere
5 Mr T H Ameer, s p t Amildar, Closepet
6 Mr H C Jambukesvaraiah, Amildar
7 Mr S Gunapaliah, Amildar

In this connection, I think either Mr H C Jambukesvaraiah (Lingayet) or Mr S Gunapaliah (Jain) would make a very good choice and of these, Mr H C Jambukesvaraiah may perhaps be preferred As the matter is urgent, the work in the Revenue Section being very heavy, the paper is sent for circulation so that the Revenue Commissioner may be written that either Mr H C Jambukesvaraiah or Mr S Gunapaliah may be sent the former being preferred and that whoever of these is selected may be asked to join duty forthwith

Proposals regarding separating the Octroi section from the Revenue Section and making the Octroi Superintendent independent of the Revenue Officer will be separately worked out

Both officers proposed are stated to be getting a pay of Rs 150/- ~~each~~.

Ref 441-41

My dear Mr Narayana Rao,

XXY Hm 2-12-41

In continuation of my confidential D O letter No 462/2 dated 17th November 1941, I wish to state that the question of selection of an Amildar in place of Mr Abdul Gani transferred as Assistant Commissioner was taken up again yesterday and the Council resolved as under

> "Resolved that the pay of the Revenue Officer should not exceed Rs 150/- and that the Revenue Commissioner be requested to send a panel of 10 names of Officers working in the Revenue Department for a selection being made therefrom"

2) I have already sent you copies of the letters received from the Secretary to Government, Law Department noted in the margin stating that the Government consider it necessary to have as Revenue Officer, an Officer of the status of an Amildar as the Officer has also to function as Personal Assistant to the President

No L 4455 dated, Bangalore, 9th Nov 1939
No L 3203/M1 31-40-6 dated, Bangalore, 26th October 1940

3) The Municipal Council have gone behind these orders and resolved yesterday to have an Officer on a pay not exceeding Rs 150/-

4 For the reasons already stated by the Government and also indicated in my letter under advertance I feel that it is very necessary to have a very responsible and competent man of at least the status of an Amildar, as Revenue Officer and I would therefore respectfully

Hm 5-12-41 4-12-41

suggest that the Government by virtue of the powers vested in them under Section 228(c) read with 49(b)(2) may direct ~~that~~ the appointment of an Amildar as Revenue Officer and also request that out of the panel of names already sent by the Revenue Commissioner and referred in my letter under advertance, Mr H C Jambukesvaraiah, Amildar might be posted in place of Mr Abdul Gani

5) In this connection I wish to add that Mr Gani was getting a duty allowance of Rs 50/- and a conveyance allowance of Rs 30/- while the Municipal President, the Municipal Engineer and the Health Officer all get an allowance of Rs 75/- only In the case of the Revenue Officer therefore, who is of the status of an Amildar, the allowance may be reduced to a consolidated sum of Rs 60/-

6) As the work of the Office has fallen into arrears I request the favour of very early orders

7) I may add also that the Octroi Superintendent who is in additional charge of the Revenue Section at present, is also under orders of transfer and it is therefore very necessary to have an efficient man as Revenue Officer Early orders are solicited.

8) I am sending the formal resolution of the Municipal Council in due course
